2025 WINTER COMPOST SERVICE

As part of LRS sustainability efforts, we offer the ability to place compostable waste in with residents' yard waste. Please limit compostable waste to the accepted organics list found below. As a reminder, both yard waste and accepted organics may be placed in the large, gray organics cart provided by LRS, eliminating the need for yard waste stickers or an additional rigid container. Visit www.oak-park.us/compostable to sign up for this program through the Village of Oak Park.
